Gentlemen: -

Please forward to us the dies you mention, as we are now ready for them. As we told you we expect to try the coining press this week and will then report you further.

We enclose you duplicate invoice as you request for the press sent you. We shall be pleased to receive your order for another machine. We think it would pay you to have another so you would not be crowded at times with your work. You will probably hear from us again in a few days.

Yours truly,

Ferracute Machine Co.,
